SUBJECT: EMBASSY RIGA SECONDS EMBASSY TIRANA'S SUGGESTED
IMPROVEMENTS TO HUMAN RIGHTS REPORT PROCESS

REF: TIRANA 172

11. Embassy Riga read with interest Embassy Tirana's reftel cable on improving the Human Rights Report process. Post seconds the concerns and issues raised in the cable--and endorses the pragmatic reforms to the process that were suggested, especially in regards to timelines. We look forward to working with DRL and other stakeholders to improve the process and make the Human Rights Report as strong a document as possible.
